Ki-ose Range

DISINFECTANT AND CLEANING PRODUCTS

DESCRIPTION

The Ki-ose range of surface disinfectant cleaners have specially developed for the disinfection and cleaning of interior surfaces within aircraft cabins. Formats range from ready-to-use solutions, to concentrates and wipes. Ki-ose is used by cleaners and cabin crew for many applications in galleys (surfaces in contact with food), trolleys, seats, seat belts, tray tables, overhead lockers and lavatories within the aircraft. Approved for use in aircraft our Ki-ose range is safe to use and will not harm or damage fabrics, plastic, metals, rubber or other surfaces.
