

TECHNICAL DATA SHEET

FRESH & CLEAN FOAMING HAND SOAP

Cleansing and Refreshing Liquid Foaming Hand Soap

Code 9140

DESCRIPTION

Callington Fresh & Clean Foaming Hand Soap is a sophisticated mixture of essential ingredients. Fresh & Clean Foaming Hand Soap contains an antibacterial, pH balanced formulation to suit all skin types including sensitive skin and contains moisturiser to leave the hands feeling soft and luxurious. The foaming pump, makes it easy and economical to dispense soap.

FEATURES & BENEFITS

- **Anti-bacterial properties** - reduces bacteria/germs and prevents the spread of disease.
- **Triclosan free formulation** - safe for humans and the natural environment.
- **Foaming technology** - increases usage of up to 40% compared to traditional non-foaming soaps and allows for greater sustainability.
- **Aerated Formulation** - Less water used in aircraft lavatories.
- **Moisturising properties** - providing a soft nourishing treatment, hydrating the driest of skin

ACCREDITATIONS

ISO 9001:2000 certified

National Association of Testing Authorities (NATA) accredited.
