

## TECHNICAL DATA SHEET

# UNIVERSAL CLEANING KIT

Code 4851/UNIKIT

### DESCRIPTION

Callington Universal Cleaning Kits are versatile aircraft inflight cleaning packages, which readily support the inflight cleaning procedures of airline cabin crew. The kit consists of an effective bactericidal cleaner, face mask, protective apron, disposable wipes, gloves, absorbent granules, absorbent cloth, plastic scoop and bio hazard waste bag. The Universal Cleaning Kit is purposely designed for single use only and can be disposed of in normal waste outlets after use.

The 3-in-1 Fresh & Clean, included in the Universal Cleaning Kit, counteracts and neutralises unpleasant odours from the toilet and cabin area. Fresh & Clean can also be used in toilets and air conditioning vents to kill germs. Fresh & Clean is also effective as a surface cleaner for hand basins toilets, cupboards, passenger trays and floors.
