

TECHNICAL DATA SHEET

UNIVERSAL PRECAUTION KIT

Code 4852/PREKIT

DESCRIPTION

Callington Universal Precaution Kit is a versatile aircraft inflight cleaning kit, which readily supports the cleaning procedures for flight crew. The kit consists of an effective bactericidal cleaner, face/eye mask, long sleeve protective apron, disposable wipes, gloves, absorbent granules, absorbent cloth, plastic scoop and bio hazard waste bag.

Callington Universal Precaution Kit conforms to both the IATA and ICAO recommendations for emergency precaution kits for aircrafts. Instructions are also provided.

The 3-in-1 Fresh & Clean, included in the Universal Cleaning Kit, counteracts and neutralises unpleasant odours from the toilet and cabin area. Fresh & Clean can also be used in toilets and air conditioning vents to kill germs. Fresh & Clean is also effective as a surface cleaner for hand basins toilets, cupboards, passenger trays and floors.
