

TECHNICAL DATA SHEET

BIO-CLEAN 360

Code 2315

Concentrate aircraft toilet deodoriser

DESCRIPTION

Bio-Clean 360 is a highly concentrated toilet cleaning fluid, formulated to clean and deodorise aircraft lavatories. A unique combination of detergent, scale inhibitor and deodorising properties prevents foul odours and keeps aircraft toilets clean and fully operational.

Passengers and crew will notice improved performance from recirculating toilets while ground handlers will benefit from improved hygiene safety in disposing of waste that has been correctly treated before removal from vacuum waste tanks.

FEATURES & BENEFITS

- **Fast acting** - manufactured to exceed the rigorous standards of the World Health Organisation and attacks all micro-organisms and viruses within 30 minutes.
- **Long lasting** - Powerful biocides continue to breakdown and kill the pathogens in the toilet waste system for up to 72 hours.
- **Permanent Air Freshener** - slow release fragrance acts as a long-lasting deodorant and air freshener boosting performance every time the toilet is flushed.
- **Low foaming during flush** - contains a powerful anti-foaming agent to eliminate toilet foaming within 20 seconds.
- **Washable colourant** - manufactured from vegetable extracts that washes out of materials and loses its colour during exposure to daylight

APPROVALS

- Airbus (AMS 1476B) including storage stability tests
- Boeing D6 17487, revision P
- Macdonald Douglas CSD No 3
- Air Canada anti-microbial tests (including their unusually severe tests involving raw sewage, not just yeast cultures).

TECHNICAL DATA SHEET

ORDERING INFORMATION

Product Code	Packaging	Units/ Carton
AR0000271	4 x 5L / per carton	20kg
AR0004550	1 x 20L	

PRECAUTION

CAUTION: Harmful if swallowed. Causes severe skin burns and eye damage. Causes serious eye damage. Very toxic to aquatic life. Restricted to professional users. Keep out of reach of children. Do not get in eyes, on skin, or on clothing. Wear protective gloves, protective clothing, eye protection and face protection. Avoid release to the environment.
